Dear homeowner or occupier,

Please be advised of the upcoming road closure on Knapp Road, Ashford whilst we construct the Road Safety and Pedestrian Improvements to encourage sustainable modes of transport and reduce the volume of motor vehicles in the vicinity of Clarendon Primary School entrance. This will involve constructing a road table on Knapp Road, with reduced carriageway width to decrease traffic speed and enhance pedestrian safety including for children who are walking, cycling and wheeling to the school. A continuous footway at the Knapp Road junction with Village Way will be installed to reinforce the rules of the Highway Code and give priority to pedestrians crossing the road at this location.

These measures will help reduce vehicle speeds, improve safety and accessibility for all road users including pedestrians and cyclists accessing Clarendon Primary School, and encourage alternative and healthier options for local travel and support sustainable travel.

A road closure will be in place from 29 July for 2 weeks for 24 hours a day, this is due to the narrow road. Speak to the team on site if you will require access. Works will take place under a road closure with restricted access for vehicles depending upon where construction works are taking place.

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

It is essential to keep the road free from parked vehicles to enable the work to proceed as planned. The work is weather dependant and can be delayed by bad weather or other factors. Please look at our information boards on site for date changes.

We thank you for your patience while we carry out these works and apologise for any inconvenience caused.

A Surrey County Council officer has hand-delivered this letter to your property today, if you have any further concerns, please do not hesitate to contact us via our website www.surreycc.gov.uk or you can reach us on 0300 200 1003.

Yours faithfully,

Amy Geoghegan
